BRIEF ABSTRACT OF LETTER

Refers to D.O.'s of 9th Jany 1917 & 7th July 1917 & states it is not clear to them whether Govt authorise the sale of sites at reserve for Vaidic Brahmins at an upset price or not and solicits orders whether such sites may be allotted to the class of applicants and if so for what upset price.

NOTES AND ORDERS

F.J.W. Reference is invited to para 13 of Mr 33-16 dt 12, 56 & 57, 8 Jany 1917 in which the Govt's proposals for the sites being reserved to Vaidic Brahmins were accepted.

2. The point now for consideration is whether

whether sale, so reserved — which are Govt property — may not be allotted to bona fide Vaidic Brahmans applicants for on upset price and if so, what the rate of upset price should be

3 - Apparently the President seems to think that the upset price of Rs 100 per acre fixed for myots and others in G.O. No 165-6 of 7th July 1917 is not suitable for this class of Brahmins applicants or rather high. Reference is also invited to margin allg noted for orders.

Routine Notes

[To be used only for notes, requisitions, etc, not intended for permanent record]

City Municipal Office,
Bangalore,
Dated the 3rd September 1917

I beg to invite a kind reference to Government Orders Nos. 4285-6/M1 33-15-149 and 155-6/M1 199-16-4 dated the 9th January 1917 and 7th July 1917 respectively on the subject of sale of sites in the Ryots' block of Malleswaram for up-set price. It is not clear to me whether Government authorise the sale of sites reserved for Vydik Brahmins at an up-set price or not Their case is ~~a very~~ a hard one and I fear they are hard put to it, to find cheap building sites Numerous applications and reminders are being received and it is desirable that they be distinctly given to understand what to expect. Though theoretically the idea of such applications being decided by a body of 25 people is excellent, it is eminently impracticable and if Government, to whom goes the sale value of sites in Malleswaram thinks it undesirable to give this concession to Vydik Brahmins, it were best to
